This proceeding before the Public Service Commission of South Carolina ("Commission") arises under the authority of S.C. Code Ann. §§ 58-23-210, 58-23-260, and 58-23-330 and is governed by 26 S.C. Code Ann. Regs. 103-130 through 103-134, and 103-821. The purpose of this proceeding is to consider the Application of On the Go Deliveries, Inc. ("On the Go" or the "Applicant"), seeking a Class E Certificate of Public Convenience and Necessity, as defined by 26 S.C. Code Ann. Regs. 103-210(1), for authority to move household goods in Charleston, Berkeley, and Dorchester Counties. On the Go filed its Application on December 14, 2006. Pursuant to 26 S.C. Code Ann. Regs. 103-821(C)(3)(a), in support of its application, On the Go published notice of filing in *The Post and Courier* newspaper on December 28, 2006 and filed proof of this publication with the Commission on December 29, 2006. No parties intervened.

A hearing on the Application was held on April 26, 2007, at 10:30 a.m. in the offices of the Commission. On the Go was represented by John J. Pringle, Jr., Esquire, and Benjamin A. Traywick, Esquire, with Gary Rea, the company's president, acting as

On the Go's witness. The South Carolina Office of Regulatory Staff ("ORS") was represented by Shannon Hudson, Esquire.

During their opening statement, ORS informed the Commission that it had entered a settlement agreement with On the Go. The settlement stipulated that ORS would neither cross examine On the Go's witness nor put up its own witness. However, Ms. Hudson stated that ORS's review of the Application found all to be in order.

Mr. Rea testified that On the Go is a company with ten employees which stores and installs furniture for designers and antique dealers in Charleston, Berkeley, and Dorchester Counties. He stated that a Class E Certificate of Public Convenience and Necessity to move household goods in the above counties will facilitate the operation of his business. In order to move furniture, Rea also testified that On the Go owns five trucks, including one twenty-four foot truck, and plans to purchase another twenty-four foot truck. He further stated that the State Transportation Police have conducted an inspection, and he is aware that a satisfactory rating must be received. His testimony indicates that the company has no judgments against it, and the record shows that On the Go meets or exceeds insurance requirements.

The Commission agrees with ORS and finds the Application to be in order. Furthermore, we conclude that the Applicant has demonstrated that it is fit, willing, and able to operate as a household goods mover between points and places in Charleston, Berkeley, and Dorchester Counties pursuant to S.C. Code Ann. § 58-23-330 (Supp. 2006) and 26 S.C. Code Ann. Regs. 103-133 (Supp. 2006), and that the public convenience and

necessity is not already being served by existing authorized service. Therefore, On the Go's Application should be granted.

IT IS THEREFORE ORDERED:

1. That the Application of On the Go Deliveries, Inc. for a Class E Certificate of Public Convenience and Necessity be, and hereby is, approved for the Applicant to transport household goods between points and places in Charleston, Berkeley, and Dorchester Counties.

2. The Company shall file with the Office of Regulatory Staff the proper insurance, safety rating, and other information required by S.C. Code Ann. Section 58-23-10 et. seq. (1976), as amended, and by 26 S.C. Code Ann. Regs. 103-100 through 103-241 of the Commission's Rules and Regulations for Motor Carriers, as amended, and 23A S.C. Code Ann. Regs. 38-400 through 38-503 of the Department of Public Safety's Rules and Regulations for Motor Carriers, as amended, within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission.

3. Upon compliance with S.C. Code Ann. Section 58-23-10 et. seq. (1976), as amended, and the applicable Regulations for Motor Carriers, S.C. Code Ann. Regs. Vol. 26 (1976), as amended, a Certificate shall be issued by the Office of Regulatory Staff authorizing the motor carrier services granted herein.

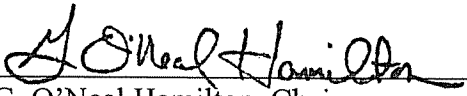

4 Prior to compliance with the above-referenced requirements and receipt of a Certificate, the motor carrier services authorized herein shall not be provided.

5. Failure of the Applicant either (1) to complete the certification process by complying with the Office of Regulatory Staff requirements of causing to be filed with

the Commission proof of appropriate insurance and an acceptable safety rating within sixty (60) days of the date of this Order or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, may result in the authorization approved in the Order being revoked.

6. This Order shall remain in full force and effect until further Order of the Commission.
